

THE CHAIN - FLEETWOOD MAC

Listen to the wind blow, watch the sun rise

Run in the shadows
Damn your love, damn your lies

And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain

And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain

Listen to the wind blow, down comes the night

Run in the shadows
Damn your love, damn your lies

Break the silence
Damn the dark, damn the light

And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain
And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain
And if you don't love me now
You will never love me again
I can still hear you saying you would never break the chain

Chain...keeps us together
(run into the shadows)
Chain...keeps us together
(run into the shadows)

Chain...keeps us together
(run into the shadows)
