

You Could Have Been a Lady    D C G    beat funk 109

Could have been alright, could have been here tonight  
Could have been sweet as wine, could have been a lady  
I could have been alright, could have been here tonight  
Could have been sweet as wine, could have been a lady

They all need you to make love to  
When you awake, you find them on the bed lyin' beside you  
They all love you, you're a good girl  
And I ain't surprised when you realize just where you're goin' to

You could have been alright, could have been here tonight  
Could have been sweet as wine, could have been a lady  
It could have been alright, could have been here tonight  
Could have been sweet as wine, could have been a lady

If I told you where you're goin' to  
You'd laugh in my face, say I'm out of place, mind your business  
And they all want you to make love to  
It's a shame, the fate of the game, the way it delights you

Could have been alright, could have been here tonight  
Could have been sweet as wine, could have been a lady  
It could have been alright, could have been here tonight  
Could have been sweet as wine, could have been a lady

Na, na na na na, na  
Na, na na na na, na  
Na, na na na na, na, na na

Na, na na na na, na  
Na, na na na na, na  
Na, na na na na, na, na na

Alright, could have been here tonight  
Could have been sweet as wine, could have been a lady  
It could have been alright, could have been here tonight  
Could have been sweet as wine, could have been a lady
